The Opportunity Questions

1. What am I most **excited** about today?
2. How can I go the **"extra mile"** for someone today?
3. What am I **reading** or **listening** to today that will enlighten me?
4. How can I **exercise** today to create greater energy?
5. Do I want to ignore these questions and suffer the consequences later?

Your Mom

Hi Sunil,

I just wanted to give you a little bit of information regarding your mom. I visited her a few weeks ago to help with her bills and checking account. She was not doing good that day. She was very upset and extremely anxious. She couldn't remember if she had taken her medicine. She was very shaky. She was really mad at herself that she left California and thought it was a big mistake.
She stated that she is not doing good and thought she should "just commit suicide". I told her that I was extremely worried about her and that I was going to call 911. She really got upset and made me promise that I wouldn't call 911. When I got back to the office I contacted Deepak because I didn't know who else to contact and I would never forgive myself if something happened to her.

She really shouldn't be driving and being by herself seems very hard for her.

If you would like to talk please feel free to contact me.

Thanks and have a good weekend.
